Service Address

1. Applicant hereby applies for water service from the Company upon the terms and conditions set forth in this contract.
2. Applicant agrees to pay, at the time of signing this contract, a membership fee and deposit in the amount of \$64.50, which is refundable upon termination of water service and payment of all account owed.
3. Applicant agrees to purchase water service under rates, policies, rules, and regulations fixed by the Company and approved by the Kentucky Public Service Commission. Copies are available for inspection at the Company's office in Bagdad, Kentucky.
4. Applicant agrees to pay the Company's minimum monthly water bill as soon as water is made available to the meter.
5. Applicant grants Company a perpetual easement over Applicant's land to install, construct, maintain, repair, and remove existing and future water pipelines, appurtenant facilities. And meters, the right to read those meter, and the right of ingress and egress for these purposes over Applicants property.
6. Applicant will maintain at Applicant's expense a service line, which shall begin at the water meter and extend to the dwelling or other point of use on Applicant's premises. Applicant will be responsible for all water loss occurring on Applicant's side of the water meter.
7. Applicant agrees to provide without cost to the Company any properly signed recordable easements required by the Company for the installation and maintenance of the Company's water transmission of distribution lines and appurtenant facilities, existing and future; provided such lines and facilities cross Applicant's real estate and are either adjacent and parallel to the right of way for a public roadway or are adjacent and parallel to Applicant's property boundary.
8. A separate meter shall be installed for service to each residential or business unit. Applicant will not permit anyone else to connect to the Company's water line and meter or Applicant's service line without prior written consent of the Company.
9. Applicant acknowledged the need to avoid contamination of the Company's water system by introduction of foreign water. Applicant will not connect to any other water supply while connected to the Company's water system.
10. Applicant is responsible for the cost of repairing all damage done to meter tops (covers) regardless of who causes the damage (except damage caused by the Company). Applicant is cautioned that many meter tops are damaged by power lawn mowers and by being run over by vehicles.
11. If Applicant's account becomes delinquent, Applicant agrees to the Company's attorney fees and costs incurred in collecting that account.
12. By signature hereon, Applicant acknowledged that he/she has read the foregoing, received a copy thereof, agrees to be bound by same, and acknowledges that this is the entire agreement between the parties and that there are no oral agreements between the parties.

THERE IS ALSO A \$40.00 SERVICE CHARGE REQUIRED.

WITNESS the hands of the parties this ____ day of _____ 2024.
